TO BE COMPLETED BY PARENT OR LEGAL GUARDIAN

I request that the school assist my child with medication as ordered by the health care provider. I give permission for the school nurse to communicate with the health care provider on matters related to these medications.

Note: All medications must be prescribed, including over-the-counter medications. Medications must be in the original container and the label must include the child's name, health care provider's name, medication, dose, method of administration, and time to administer (over-the-counter medications must be in the original containers). The medication must be delivered to the school by the parent, guardian or adult designee.

I understand that my child may only take the medications at school (including over-the-counter) if the school has received ALL of the following: 1.) Current California authorized health care provider order, 2.) Parent/guardian signature, and 3.) Properly labeled medications.

I authorize a designated member of the school staff to assist my student with medication as ordered by the health care provider. In the case of a field trip, I authorize parent volunteers/camp staff to assist my child with medication, as above:
